## PORTABLE AND PAGER RECHARGEABLE BATTERIES

Rassbach Communications now has our own line of portable and pager batteries. We offer a comprehensive line of batteries for two-way radios and pagers that are manufactured to strict quality control standards. These batteries have exceptional performance and reliability. They feature rugged housings that are ultrasonically welded, gold plated contacts, and are backed by a strong, no-hassle warranty.

Rassbach Communications is a drop-off location for your rechargeable batteries that need to be recycled. We are proud to be part of the Rechargeable Battery Recycling Corp. and we are dedicated to preserving the environment.
